### **FOR IMMEDIATE RELEASE**

## **WILLNER BUSINESS CONSULTANTS JOINS KONECT RESELLER PARTNER PROGRAM**

**CALGARY, Alberta, August 30, 2006** – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access serverware for small and mid-size businesses, is pleased to announce the addition of Willner Business Consultants Ltd. (“Willner”) to its Konect™ Reseller Partner Program. Willner is a leader in the implementation of Peoplesoft and JD Edwards installations and upgrades in Vancouver, BC, Canada.

“We are very excited to add Konect to our collection of possible solutions for customers,” says Phillip Willner, President at Willner. “We are still identifying opportunities for a solution like Konect in many larger accounts. And we think Konect provides us with a unique offering that will differentiate us and provide us with a competitive edge in these accounts.”

“We anticipate that working with Willner will open up new and interesting opportunities for us,” said Alex B, President and CEO of desktopsites. “With their experience with ERP packages such as Peoplesoft and J.D. Edwards, now all part of the Oracle ERP stack, we see the opportunity to leverage the power and simplicity of Konect to better deploy, secure and manage these environments for today’s remote and mobile challenges.”
