### **FOR IMMEDIATE RELEASE**

#### **CBX TECHNOLOGIES JOINS KONECT RESELLER PARTNER PROGRAM**

**CALGARY, Alberta, February 8, 2007** – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access serverware for small and mid-size businesses, is pleased to announce the addition of CBX Technologies, Inc. (“CBX”) to its Konect™ Reseller Partner Program. CBX offers a complete suite of IT hardware, software, telecommunications, sales, service, support and design to emerging and evolving businesses.

“Networks are the backbone that enable business applications and deliver new economies in today’s competitive business environment,” says Chris D’Andrade of CBX. “Regardless of the size of businesses, they need networking solutions that deliver constant information, transcend traditional office boundaries, provide high levels of security and are optimized for peak performance and stability. Konect is an excellent product that helps address many of these needs.”

“The CBX footprint spreads across 4 offices in northern California and 1 office in Washington, D.C.,” said Alex Bethlehem, President and CEO of desktopsites. “With their extensive experience in networking and reach in their local markets, we are excited by the prospects for business growth for Konect. Their knowledge and understanding of current market trends has led to a strong positioning and value proposition that they can take to the market and win business. We are very much looking forward to working with them to build our market presence and footprint.”
