### **FOR IMMEDIATE RELEASE**

## **KONECT PARTNER PROGRAM EXTENDS PRESENCE IN CALIFORNIA WITH ESP CONSULTING**

**CALGARY, Alberta, August 10, 2006** – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access serverware for small and mid-size businesses, is pleased to announce the addition of ESP Computer Consulting (“ESP Consulting”) to its Konect™ Reseller Partner Program. ESP Consulting has been delivering high quality networking solutions to customers in central California for more than 5 years.

“We are very pleased to add Konect to our portfolio of high quality networking solutions for small and mid-size businesses,” says Eric Peterson, Owner at ESP Consulting. “Our business has been fortunate to grow based on our stellar reputation not only for innovative solutions but for the best possible technology at affordable prices. While Konect has steadily increased in awareness in our markets we feel certain it will help further develop our portfolio of offerings and clients.”

“The California marketplace is one of the strongest in nurturing innovation and supporting the growth of small and mid size businesses,” said Alex Bethlehem, President and CEO of desktopsites. “We are excited to welcome ESP Consulting into our partner program in this region. We see ESP Consulting as a strong partner with a terrific reputation for quality and service, oriented directly on our target market. We have already begun work on our business development activities in this region with ESP and are looking forward to strong results.”
