### **FOR IMMEDIATE RELEASE**

## **SYSGEN SOLUTIONS GROUP JOINS KONECT RESELLER PARTNER PROGRAM**

**CALGARY, Alberta, June 08, 2005** – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access infrastructure serverware for the small and mid-size business (“SMB”) market, is pleased to announce the addition of SysGen to its Konect™ Reseller partner program. SysGen has been delivering value-add IT services to SMB companies in the Calgary area for almost 10 years.

“We see a perfect fit and opportunity for Konect in the local market place,” said Lyle Richardet, President and owner of SysGen. “Our customers have long been looking for this type of solution and in the past we have worked through a variety of alternatives to help them achieve their needs. With Konect there is now a much stronger fit and value proposition for these customers to achieve their objectives.”

“We are extremely pleased to welcome SysGen to our Konect Reseller partner program,” said Alex Bethlehem, President and CEO of desktopsites. “As SysGen is witness to every day in their business, many SMBs today have no other choice than to use less than ideal technology solutions to conduct and manage their business. We look forward to working with SysGen to eliminate this SMB technology deficit and provide the type of access infrastructure solution they really need.”
