### **FOR IMMEDIATE RELEASE**

#### **JD MICRO DEVICES JOINS KONECT RESELLER PARTNER PROGRAM**

**CALGARY, Alberta, Mar 08, 2006** – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access serverware for small and mid-size businesses, is pleased to announce the addition of JD Micro Devices Inc. (“JD Micro”) to its Konect™ Reseller Partner Program. JD Micro offers a complete computer sales, service and networking portfolio of solutions to its customers.

“A commitment to partnership, Canadian products and support has satisfied our customers since 1984,” Don McGregor President of JD Micro. “And we are continually working to refine this commitment through new product offerings and better ways to exceed support expectations. Konect is another solution in a line of excellent Canadian products that we are excited to represent and take to market for our customers. We are excited about the potential of the Konect solution and are looking forward to working with desktopsites to build a client base in Victoria.”

“We have been seeking a strong partner to work with in Victoria and are pleased to have found that partner in JD Micro,” says Alex Bethlehem, President and CEO of desktopsites. “JD Micro is a terrific champion of Canadian products and has demonstrated an excellent partnership model working with solution vendors. Their presence and reputation is a significant benefit for our Konect marketing and sales efforts and we are fortunate to be working with such a strong partner.”
