FOR IMMEDIATE RELEASE**IMPACT BUSINESS SYSTEMS JOINS KONECT RESELLER PARTNER PROGRAM**

CALGARY, Alberta, July 18, 2007 – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access serverware for small and mid-size businesses, is pleased to announce the addition of Impact Business Systems (“Impact”) to its Konect™ Reseller Partner Program. Located in Newmarket, Ontario, Impact has been offering network design, installation and support since 1989.

“Whether a business has employees working from home, the office or on the road, we aim to seamlessly connect their computers,” says Charles Middleton, Manager of Impact Business Systems. “desktopsites’ Konect serverware allows our customers to access live and often real-time information in a way that lets them forget about the technology and focus on running their business. Adding Konect to our networking toolkit allows us to offer better, more affordable serverware solutions to our small and mid-sized business clients.”

“Any computer business that has been around since 1989 has the ability to deliver top notch service,” says Alex Bethlehem, President and CEO of desktopsites. “The team at Impact Business Systems has proven they can deliver on their promises. We are looking forward to working with Impact Business Systems as they use Konect to deliver significant business value to their customers throughout southern Ontario.”
