FOR IMMEDIATE RELEASE

KONECT PARTNER PROGRAM EXTENDS INTERNATIONALLY ADDING PARTNER IN UNITED ARAB EMIRATES

CALGARY, Alberta, June 30, 2006 – desktopsites Inc. (“desktopsites”), a rapidly emerging leader in access serverware for small and mid-size businesses, is pleased to announce the continued international expansion of its Konect™ Reseller Partner Program through the addition of Zener Electrical and Electronics Services (“Zener”) in the United Arab Emirates. Zener is the leading supplier of educational and IT solutions in the United Arab Emirates.

“Having reviewed the desktopsites website and the Konect technology, we knew Konect was the solution we were looking for to add into our product and solution profiles,” says Ramesh Aidaasani, Manager, IT Solutions & Teaching Systems at Zener. “We are always looking for new and exciting products to add to our mix of solutions and we feel strongly that Konect will provide great benefits to our customers. We are excited to become a Konect distributor / reseller in the United Arab Emirates.”

“The advantages of Konect are increasingly being highlighted by technology companies around the world,” said Alex Bethlehem, President and CEO of desktopsites. “We are excited by the continued international interest and requests we are receiving and are certainly keen to work with Zener in the United Arab Emirates. Zener has a very strong track record in the education and corporate markets, providing an excellent opportunity for Konect applications.”
